# Introduction to your policy

This is **your** insurance policy. It is a contract of insurance between **you** and **us**, and is made up of this booklet and **your schedule**. It is based on the statements and information **you** gave **us** or the information that was given on **your** behalf when you applied for the insurance. That information may have been given to us on a **proposal form**, on a **statement of fact** or during a phone conversation. We used that information to assess the cover **we** would provide for **you** and to set the premium and policy conditions **we** need for that cover.

If **you** filled in a **proposal form**, **we** will send **you** a copy of it if **you** ask us to. If **you** did not fill in a proposal form, **you** should already have a copy of all the information **you** gave **us**. **You** must check this information carefully and let **us** know immediately if any part of the information **you** gave **us** is wrong.

**You** should read this policy booklet and **your schedule** together. Please check them carefully to make sure they give **you** the cover **you** want. **You** have 14 days from when **you** receive **your** policy documents or enter into this contract, whichever is later, to write to **us** if **you** want to cancel **your** policy. This is known as a cooling-off period. If **you** cancel **your** policy during this period of time, **we** will refund **your** full premium less the amount of any claim **you** have made.

If **your** needs change or any of the information on which the contract is based changes, **we** might need to alter the **schedule**. Under the policy conditions, **you** must tell **us** about any changes. **We** will update the contract every time **we** agree to an alteration. **We** will give **you** a new **schedule** each time **we** renew the contract or make an alteration. If **you** ask **us** to, **we** will send **you** a new policy booklet when **you** renew **your** policy.

**We** agree to insure **you** under the terms and conditions set out in this policy booklet and the sections shown in the **schedule** for loss, damage, injury or liability that happens during the **period of insurance**. **Your schedule** tells **you** which sections of this policy booklet apply. Opposite each heading of cover on those pages **you** will find some exceptions that tell **you** what is not insured under that heading. There are also some general exclusions on page 12 that apply to all of the contract of insurance.

**You** agree to pay the premium and to keep to the conditions of the policy.

Thank you for choosing Ageas Insurance.

Managing Director

# Policy conditions

## 1 Basis of the contract

This contract is based on the **statement of fact**, or the **proposal form** and declaration, this policy booklet and the **schedule**.

When **you** arranged this insurance:

- **you** gave us information which is shown on the **statement of fact**; or
- **you** signed a declaration on the **proposal form** to say that the information on the form and any other information **you** have given **us** is true and correct as far as **you** know.

The insurance will not be valid if:

- any information **you** have given **us** is not true and correct; or
- **you** do not keep to the conditions of the policy. **You** cannot make a claim if the insurance is not valid.

## 2 The law that applies

Unless **we** have agreed differently with **you** in writing, the laws of England and Wales apply to this contract. All documents and communications will be received in the English language.

## 3 Rights of third parties

Nothing contained in this contract gives anyone else any rights under the Contracts (Rights of Third Parties) Act 1999 or any legislation that amends the Act.

## 4 Changes

**You** must immediately write and tell **us** about any change that could affect this insurance. If **you** do not tell **us** about any change to a material fact, this insurance will no longer be valid. (Material facts are ones that might influence **our** decision to insure **you**, the conditions of the insurance or the premium **we** want to charge. If **you** are not sure whether a fact is material, **you** should tell **us** about it).

In particular, **you** must tell us:

- if **you** change your address;
- if **you**, or any person named in **your schedule**, change job;
- if **you** or **your family** receive a county court judgement or conviction, or are prosecuted (except for motoring offences where a prison sentence has not been served);
- about any changes to **your buildings** that will increase the rebuilding costs;

- about any increase in the value of **your contents** or personal belongings;
- if someone other than a member of **your family** comes to live with **you**; and
- if **your** home will be **unoccupied** for more than 30 days in a row.

Please remember that if **you** do not tell **us** about changes, it may affect any claim **you** make.

## 5 Precautions

**You** must take reasonable care to:

- keep **your** home in a good state of repair; and
- avoid or limit any loss, damage or injury.

## 6 Security

If **you** live in certain areas, **we** may insist that **you** have high-security locks and, in some cases, an alarm system fitted. To reduce your premium, **you** may have told **us** that **you** have these locks or an approved alarm.

**We** will print an endorsement on **your schedule** showing the security measures **you** have told **us** are fitted, when **you** must use them and the cover that is excluded if **you** do not use them. If **we** have insisted that **you** have this security, but it is not fitted or **you** do not keep it in good working order, the cover under the policy will not be valid for theft, attempted theft or malicious damage.

## 7 Cancelling the policy and the cooling-off period

**You** have 14 days from when **you** receive **your** policy documents or enter into this contract, whichever is later, to write to **us** if **you** want to cancel **your** policy. This is known as a cooling-off period. If **you** cancel **your** policy during this period of time, **we** will refund **your** full premium less the amount of any claim **you** have made. **You** may cancel **your** policy any time after the cooling-off period by writing to **us**. The cancellation will take effect immediately once **we** have processed **your** request unless a specific future date for cancellation has been selected.

**We** or anyone **we** authorise can cancel this policy at any time by sending **you** 14 days' notice in writing. **We** will send the notice to the last known address **we** have for **you**. **We** will refund **your** premium for the time that was left on **your** policy as long as **you** have not made a claim.

## Policy conditions – continued

### 8 Other insurances

If **you** have any other insurance policies that cover the same loss, damage or liability as this policy, **we** will only pay **our** share of any claim.

### 9 Fraudulent claims

**We** will not pay for any claim that is in any way fraudulent or exaggerated, or if **you** or anyone acting for **you** uses fraud to get benefits under the policy. If **you** do, **we** will cancel the policy and **we** will not refund any premiums.

### 10 Data Protection Notice

Please refer to the Data Protection Notice on page 51, which contains important information about **our** use of **your** personal details.

Please make sure that **you** read the Data Protection Notice carefully.

By taking out this insurance policy, **you** confirm that **we** may use **your** personal information in this way. As the terms of the Data Protection Notice will also apply to anyone else insured under your policy, **you** should also show the Data Protection Notice to anyone else whose name **you** give to **us** in connection with **your** policy.

### 11 How to make a claim

If **you** need to make a claim, **you** must do the following as soon as possible.

#### Buildings and/or Contents

Call **our** claims helpline on **0845 168 5685** to report the **incident**.

- Tell the police as soon as reasonably possible if something is lost or if **you** suspect theft or malicious damage.
- Take all practical steps to get back any property which has been lost.
- If **we** have asked **you** to fill in a claim form, send this back to **us**, with everything **we** have asked for, within 30 days of the date of discovery of the claim.
- Immediately send **us** any written claim which is made against **you**, and give **us** full details of any verbal claims made against **you**.
- Take reasonable action to protect the property from further loss or damage.

**You** must not:

- throw away, get rid of or destroy any items that are damaged until **we** say so;
- admit or deny responsibility for any **incident**; or
- negotiate or settle any claims made against **you** by anyone else, unless **we** agree in writing that **you** can.

**We** can negotiate, defend or settle, in **your** name and on **your** behalf, any claims made against **you**. **We** can also take legal action in **your** name but for **our** benefit to get back any payment **we** have made under this policy.

#### Family Plus Legal Protection

If you are claiming for legal expenses, please phone DAS on **0845 168 5679**

### 12 How we will settle your claim

**We** will settle **your** claim by replacing the items, paying **you** their cash value or by repairing or rebuilding them (**we** will decide which). All **our** repairs are guaranteed for one year. If **your** property is only partly damaged, **we** will pay for it to be repaired or rebuilt only if the repair or rebuild is actually done. If it is not done, **we** will pay **you**:

- the amount by which the property has gone down in value because of the damage; or
- the estimated cost of the repair;

whichever is the lowest.

If **you** are insured for **your buildings** and **your contents** under the same policy, **we** will take off the **excess** under only one cover if **you** make a claim under both covers for the same **incident**.

**We** may take any outstanding premium from any payment **we** make.

**We** will answer all correspondence within five working days of receiving it.

#### Important

**You** must make sure that the **maximum claim limit** is correct.

- Under section 1 - **Buildings**, the **maximum claim limit** must be enough to fully rebuild **your home**, including the cost of demolishing any existing structures (if needed) and removing debris.
- Under section 2 - **Contents**, the **maximum claim limit** must be enough to replace all the **contents** of **your home** with new items of the same quality and type.

- For **specified** items of **personal belongings, high-risk property** or any other **specified** item, the amount shown on the **schedule** must be enough to replace the item as new.

When an **incident** happens:

- if the **maximum claim limit** under any section is less than the current cost of replacing, repairing or rebuilding the property as new; or
- if any amount shown in the **schedule** for **personal belongings, high-risk property**, pedal cycles or any other **specified** item is less than the current cost of replacing the item as new;

**we** may either:

- pay only part of the value of the claim; or
- refuse to pay **your** claim.

#### Matching pairs or sets

**We** treat each separate item of a matching pair or set, or set of furniture, sanitary suite or fittings, soft furnishings or other fixtures and fittings, as a single item. **We** will only pay for lost or damaged items. **We** will not pay for the cost of replacing, recovering or remodelling undamaged pieces, or pieces which have not been lost or damaged, just because it forms part of a set, suite or one of a number of items similar in nature, colour or design. If an item in a set is lost or damaged, the other pieces of the set may lose some value, even if they have not been physically damaged themselves. This loss of value is not covered by the policy.

#### Matching carpets

If **you** have a matching carpet or other floor covering in more than one room or area, **we** treat each room or area as separate. **We** will only pay for the damage to the carpet or floor covering in the room or area where the damage happened.

#### Buildings section

If **you** keep **your buildings** in good repair, **we** will pay the cost of repairing, replacing or rebuilding the **buildings**, but we will take off an amount (if appropriate) for wear and tear if you claim for:

- flat or felt roofs; or
- gates or fences damaged by falling trees.

#### Protecting sums insured

The **maximum claim limit** under the **buildings** and **contents** sections will not be reduced if **you** make a claim.

#### Contents section and its extensions

**We** will take off an amount (if appropriate) for wear and tear if **you** claim for loss of or damage to:

- clothes and household linen (unless **you** can prove they are less than three years old); or
- pedal cycles (unless **you** can prove they are less than three years old).

#### 13 Material facts

**We** accepted **your** application for insurance because the information and facts that **you** gave about yourself allowed **us** to assess the chance of **you** suffering a loss, based on statistics that **we** have gathered over many years. The information allowed us to decide what premium to charge **you** and what conditions should apply to **your** cover.

The information that helps us to assess the chance of **you** suffering a loss is called 'material facts'. If any of these 'material facts' were incorrect or have changed, or if **you** have not told **us** about something that might have influenced **our** assessment, and **you** have not received **our** written agreement to the change or extra information, **your** policy may not be valid. If the policy is not valid, **you** cannot make a claim. If **you** are not sure whether a fact is material, **you** should tell **us** about it.

As a guide, here are a few examples of changes to material facts. The list does not cover all possible changes. If **you** are not sure whether a fact is material, **you** should tell **us** about it immediately.

#### Example a

The contract of insurance covers you if **your home** is **unoccupied** for up to 30 days in a row. **You** have told **us** that **your home** will not be left **unoccupied** for more than 30 days in a row. If this changes and your home will be left **unoccupied** for longer than 30 days in a row, you must tell **us**. This is a material fact as it affects our assessment of the risk. If the **home** is left **unoccupied** for more than 30 days, the chances of a loss arising increase and any damage is likely to be greater than it would be if the property was occupied. So, **our** assessment of the risk would be different for an **unoccupied** property.

## Policy conditions – continued

### Example b

The property covered by this policy is shown in **your schedule** of insurance. If **you** change your address, this may influence the premium or the cover **we** are prepared to provide. **You** may need to have a higher level of security, for example, special locks are a condition for cover in some areas of the country. So, a change of address is a material fact and **you** should report it to **us** before **you** move.

### 14 Index-linking

**You** have given **us** a sum insured amount for **buildings** or **contents** cover on which to base **your** premium. **We** will change the maximum claim limit each month. We will assess it each year on the renewal date. The change will be in line with the published Consumer Durables Index for **contents** cover and the House Rebuilding Cost Index for **buildings**. The amended **maximum claim limit** and the renewal premium will be shown in your renewal notice. **We** will not reduce these limits if an index value reduces unless **you** ask **us** to do so. Index-linking the **buildings maximum claim limit** will continue during replacement or repair following a loss or damage as long as the replacement or repair is carried out without unnecessary delay.

### 15 No-claims discount

If **you** have not made a claim during the **period of insurance** immediately before **you** renew **your** policy, **we** will include any available discount in **your** renewal premium. **You** may not transfer this discount to any other person.

## General policy exclusions

The policy does not cover the following.

- Any loss or damage (including related cost or expense) caused by any act of terrorism no matter whether any other cause or event contributes at the same time or in any other order to the loss.

For the purpose of this exclusion, an act of terrorism means using or threatening to use :

- force or violence (or both); or
- biological, chemical or nuclear force.

The act must be carried out by any person or group of people, whether acting alone or on behalf of or in connection with any organisation or government, for political, religious or similar purposes, including the intention to influence any government or to put the public or any section of the public in fear.

However, losses caused by or resulting from riot, strike, civil commotion and malicious damage are not excluded.

- Any action taken to control or prevent terrorism.
- Loss, damage, injury or legal liability directly or indirectly caused by or contributed to by:
  - riot or civil disturbance outside the United Kingdom, the Isle of Man or the Channel Islands;
  - riot, civil disturbance, strikes, industrial action or malicious acts committed in Northern Ireland by people acting on behalf of or in connection with any political organisation;
  - property being confiscated or detained by customs or other officials;
  - pressure waves caused by aircraft and other flying objects travelling at any speed;
  - ionising, radiation or radioactive contamination from any nuclear fuel or nuclear waste arising from burning nuclear fuel;
  - the radioactive, poisonous, explosive or other dangerous properties of any nuclear equipment or nuclear part of that equipment; or
  - war, invasion, revolution or any similar event.
- Pollution or contamination by any substances, forces or emissions (such as radiation) or organisms, or any combination of them, if the pollution or contamination:
  - did not happen suddenly;
  - was the result of an intentional act;
  - was expected or should have been expected;
  - happened before the policy started; or
  - is not reported to **us** as soon as possible and within 30 days of the end of the **period of insurance** in which it happened.
- Consequential loss (that is, any loss which happens as a result of, or is a side effect of, the event for which **you** are insured).
- Property more specifically covered by another policy of insurance.
- Any criminal or deliberate act by **you** or **your family**.
